

## **Community Comments**

I have known Mr. Toschi for over 25 year and he has always been a person who believes in doing the right thing. He is honest, kind and fair. He has often put other's needs ahead of his own. He has raised a successful family and has a large number of true friends. He is the man for the people and for the job!

- Business Manager

Steve can bring about real change. We need people like Steve to get our city moving again.

- Claudia E., Retired School Teacher

I have known Steve for a few years I believe he would be an asset to the city as mayor.

- Gary K., Business Owner
